1/2016

The story of SP Gadgets began with the legendary POV CASE, a product designed and produced back in 2012. The “SP” in SP United - the parent company established in 1987 - stands for Smart Performance, which translates perfectly into its field of activity, which now encompasses the manufacture of products for the sports, electronics and automotive industry.

With SP Gadgets growing rapidly, we take pride in the positive feedback we keep receiving from our customers and industry partners in over 70 countries worldwide. The story continues ...

POLES/GRIPS

REMOTE POLE 28"/40"

Enjoy the comfort of one-handed telescopic filming by simply clipping your GoPro® Wi-Fi Remote, Smart Remote or, using the SP Gadgets PHONE MOUNT, even your mobile phone onto the REMOTE POLE 28"/40". Use the SONY MOUNT KIT to attach your Sony cam and Live View Remote. The 2-component grip lies firmly in your hand, keeping your equipment safe. The REMOTE POLE can be extended and twist-locked from 11 – 28 inches (28 – 70cm) or 14 – 40 inches (36 – 100cm).

- **COMPATIBLE WITH ALL HERO® CAMERA MODELS**
- **COMPATIBLE WITH PHONE MOUNT, GOPRO® WI-FI REMOTE AND SMART REMOTE**
- **DIRECT GOPRO® CAMERA AND PHONE MOUNT ATTACHMENT**
- **NEW 2-COMPONENT SOFT-TOUCH GRIP AND 360° SWIVEL HEAD**
